

# PRODUCTION PORTFOLIO

Selected production references

Precision CNC components, welded constructions, industrial housings and complete sub-assemblies for the railway, industrial and automotive sectors.

## CERTIFICATES HELD:

<b>ISO 9001:2015</b> Quality management	<b>EN 15085-2 CL 2</b> Railway welding	<b>EN ISO 3834-2</b> Welding quality	<b>EN 1090-1 EXC 3</b> Steel structures	<b>IRIS Certification®</b> Railway industry

CNC MILLING

Precision grey iron casting machining

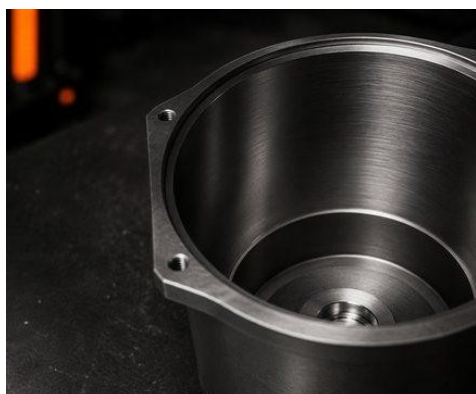

CNC TURNING

Engine cover with flange

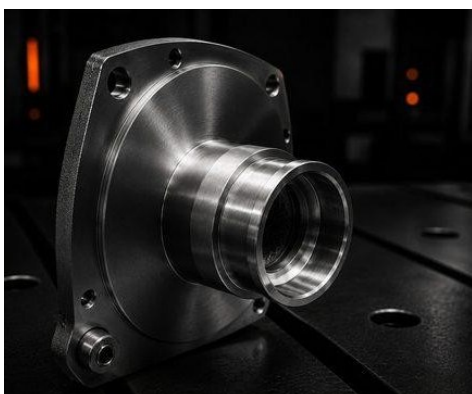

CNC MILLING

Rail mounting bracket

CNC TURNING

Drive motor casing

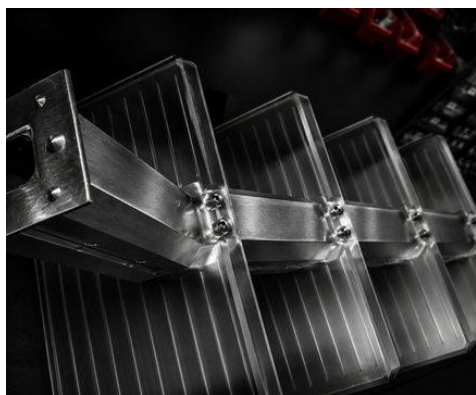

CNC TURNING

Threaded bush — grooved thread

CNC MILLING

Battery frame milled with pockets

WELDING

Drive bracket — rail vehicle

WELDING

Rail attachment elements

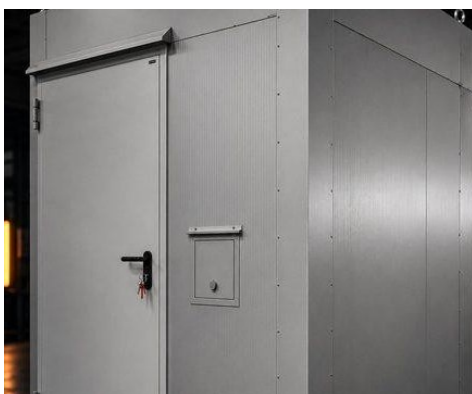

WELDING

Steel housing — corner with perforation

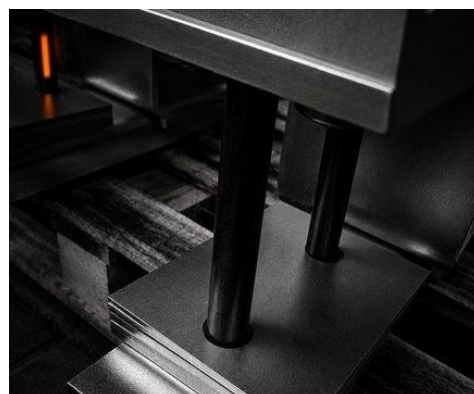

CNC MILLING

Yacht steps — marine application

WELDING

Control rods — switch drive

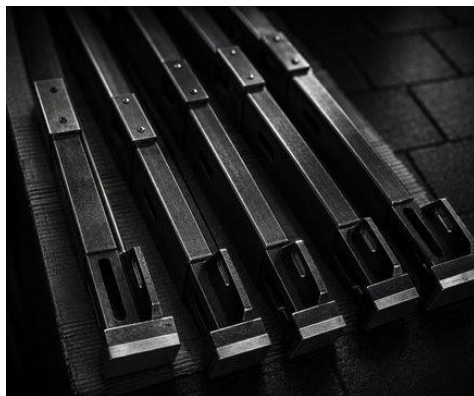

HOUSINGS

Container KTP-01 — exterior

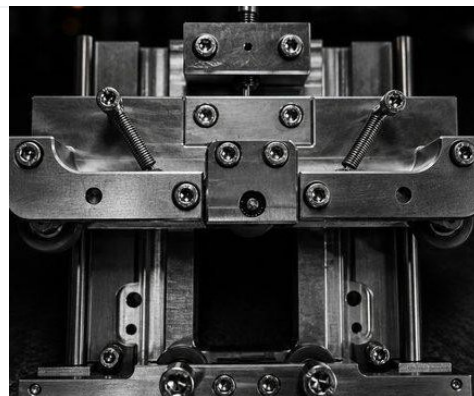

ASSEMBLY

Specialist tooling & fixtures

ASSEMBLY

Specialist tooling & fixtures

ASSEMBLY

Milling fixture for groove cutting

WELDING

Mounting frames & brackets

WELDING

Brackets with plastic pads

WELDING

Brackets with plastic pads

WELDING

Fan housing

CNC MILLING

Ring clamp with lugs

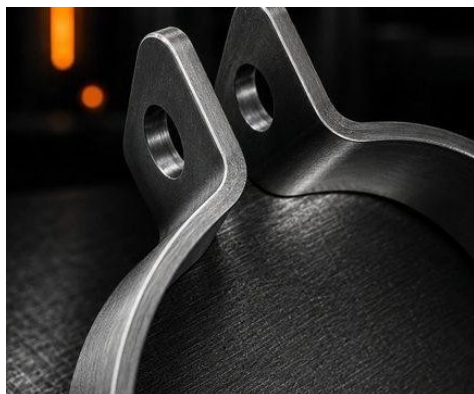

CNC MILLING

Cable clamp

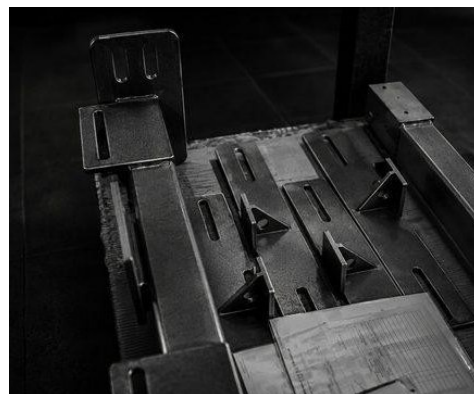

WELDING

Bent rods with milled mounts

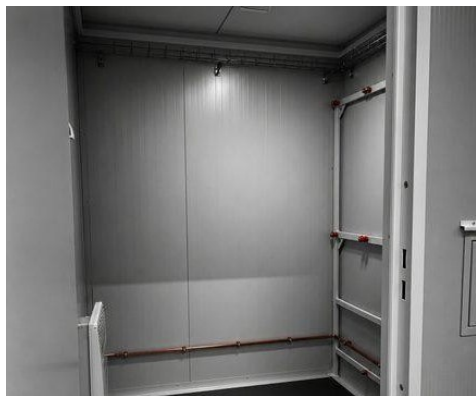

ASSEMBLY

Set of adjustable rods & frames

CNC MILLING

Aluminium body with flange — 5-axis

CNC MILLING

Chuck bracket — 5-axis milling

WELDING

Base plates

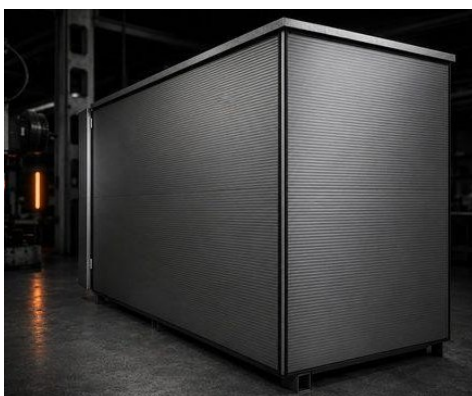

WELDING

Glazing canopy frame

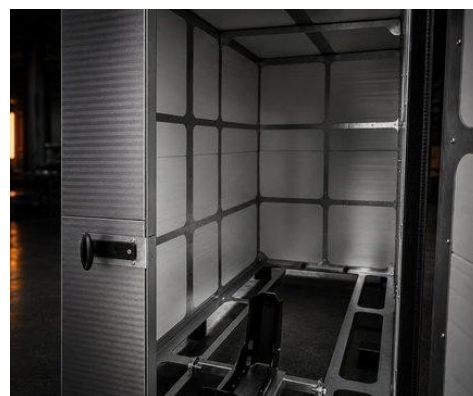

HOUSINGS

Motorcycle garage — interior

HOUSINGS

Motorcycle garage — exterior

HOUSINGS

Container KTP-01 — exterior

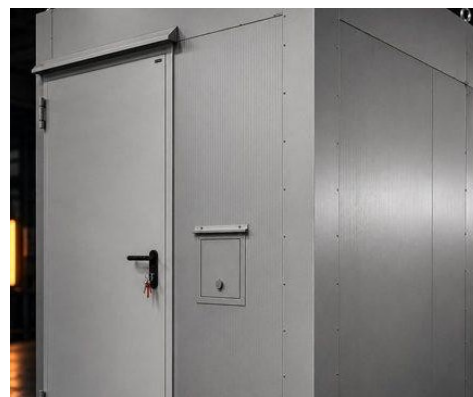

HOUSINGS

Container KTP-01 — interior

WELDING

Vibrating screen — stainless steel

WELDING

Vibrating screen — stainless steel

WELDING

Industrial fan housing

WELDING

Industrial fan housing

CNC TURNING

Bush with thread and keyway

**CNC TURNING**

Multi-stepped shaft with flange
